From the Helm

Hello All!

So, who made it out to the 3rd of July fireworks at Marina Bay? What an amazing show! We've always tried to reserve a boat on the 3rd to hang out in the marina and watch, but this year, for the first time, we were able to just relax on our new patio and enjoy. If you missed it this year, we'd highly recommend planning for it next year. Look for announcements about it in June communications from us.

It looks like people are enjoying the new message board - we've seen everything from favorite book recommendations to stories about trips and charters to constructive use of the "Looking for Crew" and "Available to Crew" forums. There's a forum where you can post your favorite destinations on the bay, too. Personally, I'd love to see that one get used more. It's amazing how many cool places there are to visit for lunch in our little part of the world. So far we've got 66 registered members, 16 instructors and 4 boat owners.

Be safe and enjoy the bay this month! I'll see you out there.

-Matt K
