Azure Tahitian Waters Await!

There is no place on this earth like Tahiti. The warm clear waters, white sand beaches, swaying palm trees, coral reefs surrounding idyllic lagoons- this is the original inspiration for paradise. If you have dreamed of sailing and exploring a piece of the south seas tropics, where at Latitude 16 South the warmest summer day is 95, and the coldest winter night is 75, where high tide is always at noon and midnight, where Polynesian traditions and culture mix with warm French baguettes and pastries in perfect harmony, this is the trip for you.

We are planning a full 10 day trip, so we'll be able to reach all 4 islands, including a reach up to the crystalline waters and vanilla plantations of **Tahaa**, and snorkeling along the coral reefs and passes. Perhaps a visit to a black pearl farm, and some shopping. Another day we'll ride the warm Tradewinds to legendary **Bora Bora**, anchoring within its incomparable lagoon where we can walk along the outer coral reefs, waves breaking just a few feet away from us and being absorbed by the coral. We'll indulge in some of the world's best snorkeling at the south end of Bora Bora. Perhaps a dinner at famous Bloody Mary's, where you leave your shoes at the door, dig your toes into the powder white sand, and choose your fresh fish for them to prepare however you like. Another day will take us to the less-traveled **Huahine** for the local shops in Fare, the remote anchorages, and small local restaurants at the end of the lagoon. South **Raiatea** is also on the agenda, with its welcoming dolphins and perfect snorkeling conditions. Another day may have us taking the dinghy up a tropical river, and visiting some local farms, growing mango, pineapple, papaya, banana, and more.

Cost per cabin is \$6,500 for Tradewinds Members and \$7,500 for non-members. This rate includes your cabin only. These prices are based on double occupancy. We are including fuel and kayak/paddleboard rental in our cost this trip. **Not included: flights and shared boat costs such as provisioning, and docking/mooring fees. Everyone will need to book their own flights.**

Plan on meeting in Raiatea, Tahiti on May 19th, 2026. We will be staying on the boats in the marina and most likely provisioning that evening — then skipper's briefing and we will leave the docks the next morning to begin our adventure. After 9 days of exploring, we'll return to the marina on the 10th day to depart the boats on the morning of May 29, 2026.

The initial deposit to reserve a cabin is \$1,500. The second deposit of additional \$1500 is due October 15, 2025. The final payment of \$3,500 for members and \$4,500 for non-members is due January 15, 2026. Please pay close attention to the cancellation policy below.

The Fine Print:
